Process Measurement Solutions Since 2004

Thermal Mass Gas Flowmeters
In-Line & Insertion Style Design
Process Heating & Compressed Air Meters
Flare, Combustor, Pure & Mixed Gas Meters

Thermal Mass Gas Flowmeters/Controllers
High Precision & Rough Environment Meters
Battery Operated Meters, Pressure Controllers
VA Flowmeters & Valves

Coriolis Mass Flow Instrumentation
Gas/Liquid Custody Transfer Meters
Standard & Specialty Meters
Remote Transmitters & Displays

Wireless Telemetry for Asset Monitoring
Intrinsically Safe Modules & Pressure Sensors
Solar & Battery Powered Units
Integrated Gateways, Antennas

PD, Spur, Gear & Helical Gear Meters
Rotary Piston, Turbine & Paddlewheel Meters
Totalizers, Basic & Bi-directional VA Meters
VA Flow Transmitters & Alarms

Flow Measurement Instruments
In-line & Insertion Vortex Meters
Insertion Turbine Meters
Ultrasonic Meters

Scanners, dP Flow & Level Transmitters
Pressure Transmitters, dP Cone Meters
dP Gauges, Switches & DPU Products
Remote Telemetry Units, Relief Valves

Level Instrumentation & Controllers
Ultrasonic & Radar, Penetrating Pulse
Point & Sonic Laser Level Transmitters
RF Capacitance, Gap & Vibration Switches

Pressure Transducers & Switches
Wireless Pressure/Temperature Sensors
Submersible Level & dP Transducers
Adjustable, IS & X-Proof Transducers

Pressure & Temperature Instrumentation
Pressure Gauges, Transducers & Switches
Thermometers, Temperature Gauges
Diaphragm Seals, Snubbers, Syphons

Temperature Instrumentation
RTD & Thermocouple Assemblies
2, 3 & 4 wire Temperature Transmitters
Digital Temperature Indicators, Thermowells

X-Proof & 1/8 DIN Process Displays
PID & Multi-Channel Loop Controllers
Large Display & Loop Powered Meters
Wireless Systems, Scanners/Annunciators

Process Calibration Equipment
Bench & Multifunction Calibrators
Loop, Voltage & Pressure Calibrators
Temperature & Frequency Calibrators

Instrument Tube & Pipe Fittings
3 & 5-Valve Instrument Manifolds
Valves-Ball Needle, Check, Relief, Plug
Semiconductor Components, Tools

Valves & Valve Automation & Accessories
Ball, Butterfly & V-notched Valves
2&3-Way, Fire-Safe Ball Valves
Pneumatic & Electric Actuators

Thermal Dispersion Switches
Gas/Liquid Flow & Temperature Switches
Single/Multi-Point Level Switches

Orifice Plates, 304SS & 316 SS
Universal 1/2" thru 36", Paddle 1/2" thru 24"
Orifice Fittings, Flanges & Seal Rings

ACCESSORIES

Stainless Steel & Flexible Tubing
Teflon Tape, Adhesives
Unistrut & Loop Clamps, Heat Trace
